

Bermuda Goodwill 2018

It continues to amaze us how time goes by so quickly however, it is time again to join us for the Bermuda Goodwill tournament. We will celebrate our **66th consecutive year** as the longest running and oldest Pro Am in golf history.

We are continuing to make changes to make it better and better. We listened to both former and present players as well as prospective teams from around the world and developed an exciting package.

We are pleased to welcome teams from as far away as Scotland, England, California, as well as Teams coming from Michigan, Ohio, Utah, South Carolina, Maryland, Florida, etc. And we are delighted to welcome new teams from NY, NJ, CT, SC, PA, MA and VT who will be making their inaugural Goodwill event trip. And, as always, our long-time supporters and very special friends and teams from all over Canada will be back.

There will be a substantial increase in teams this year. At present, we are estimating a dramatic increase of over 50%.

We will again have the expertise of the professional golf management company, Event Man to facilitate all aspects of the Goodwill scoring. This will provide efficient and immediate online Tee Times, Rotation and Results.

We look forward to welcoming everyone back this December.

Also, please visit our new website for your enjoyment, as well as Team registration and testimonials, great Hotel Partners who are offering special Goodwill room rates...
